

Dear Sir / Madam,

we are happy to announce that the registration for the international conference **Re-Industrialisation of the European Union 2016** is now open. This prestigious event held due to the Slovak presidency of the Council of the EU in the field of nanotechnologies, advanced materials, manufacturing and processing, and biotechnology will be held in the capital of Slovakia, Bratislava, on **October 26 to 28, 2016**.

The conference will compose of plenary sessions, workshops, matchmaking, exhibition of innovative companies and site visits to some of them. You can find more information on the [website of the event](#) where you can also register.

Stay tuned for more information [subscribe to newsletter](#).

Best regards,

REinEU2016 team
